

Design the next Northern Ireland football shirt

Foundation

Can you help us out? We're stuck for ideas on how the next Northern Ireland International shirt should look!

Can you design the shirt below?

Name: _____ Age: _____

School: _____

LET THEM PLAY

Design a pair of football boots

Foundation

Some of the Northern Ireland players are looking for inspiration on how their next pair of football boots should look.

Can you help them by designing the pair shown?

Name: _____ Age: _____

School: _____

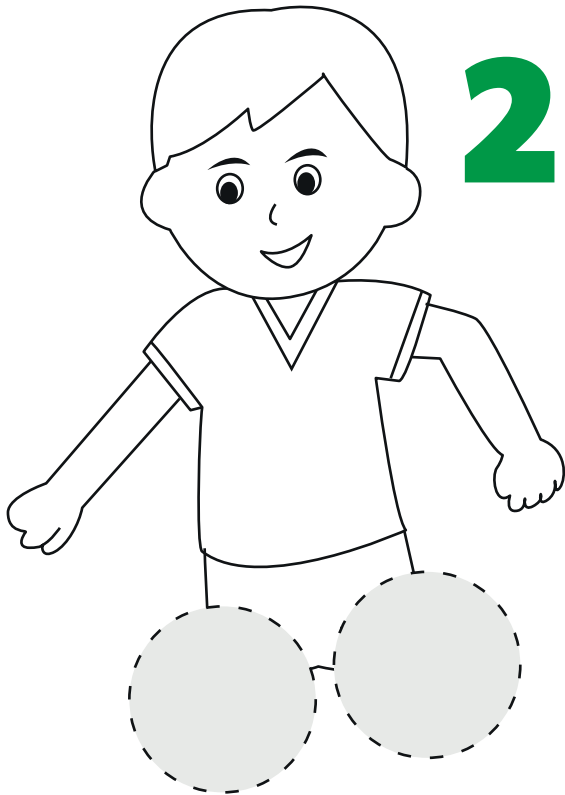

LET THEM PLAY

Finger Puppet Football

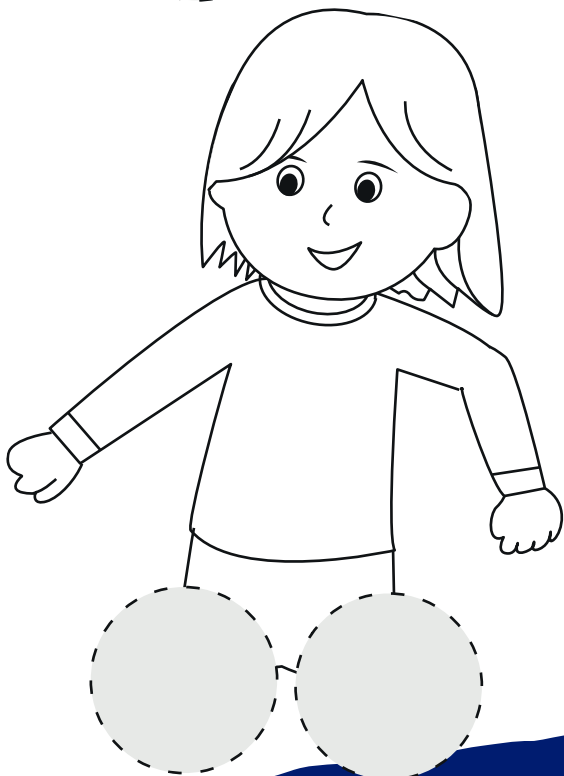

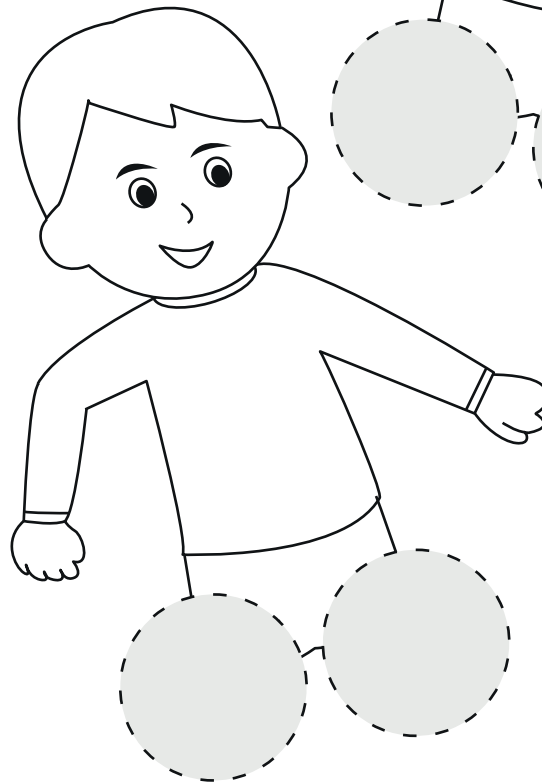

Foundation

1 Colour in your footballers. (You could have two Northern Ireland home kits and two from another country.)

2 Carefully cut out your players (or ask for help). Your fingers go through the shaded areas to be the players legs!

3 Make a paper football by scrunching up this scrap paper and use any objects to make some goal posts. You can have some shooting practice on your own or have a match against a friend!

Player Profile
