A fourth substitute may take part exclusively during extra time in all rounds of the competition

Eligible Players

6. To be eligible to play in the Competition players must be registered to play for their Club in their respective league competitions (via Comet FMS). No player shall be eligible to play in this Competition for more than one Club in the same season.

Clubs must satisfy themselves as to the eligibility of their players. Any Club playing an ineligible player may be removed from the Competition, and may be debarred from competing for up to three seasons, and the Committee shall have power to suspend any offending player or official, and shall impose a fine not exceeding £50.00 for each offending player played, and may withhold the Cup and mementos if they are satisfied that such Club has violated the Rules during the course of the Competition. Notwithstanding anything in any rule, if the Committee has any doubt at any time and whether arising out of a protest or otherwise as to the qualification of any player taking part in the competition, they shall have power to call upon such player, and/or the Club to which he belongs, or for which he

played, to prove that he is qualified according to the rules, and failing satisfactory proof, they shall disqualify such player and shall remove the club from the competition, and impose such other penalty they may think fit. In such circumstances the Committee shall have the power to reinstate the defeated team to the competition in the event that the following round has not yet taken place.

Ineligible Players

7. (a) No player shall be eligible to take part who is 18 years of age or older before the 1st day of January in the year in which the competition commences.

8. The duration of each match shall be 90 minutes. The match must be started at the time appointed by the Committee, but no protest will be upheld for late starting, unless the Committee is satisfied that the result of the match was affected by such delay.

The Referee shall have power to allow additional time for stoppages, his decision thereon to be final.

9. In the event of any match in the Competition resulting in a draw, extra time of 10 minutes each way shall be played. In the event of the score being equal at the end of this period of extra time the tie will be decided by the taking of kicks from the penalty mark in accordance with the conditions approved by the International F.A. Board.

Competition Draw

10. (a) The lots shall be drawn and Competition matches played as the Committee may determine, and immediately after each drawing the Secretary shall intimate to each of the clubs drawn the name and colours of the Club it is drawn against and the date upon which the tie is to be played.

(b) The Committee may draw subsequent round or rounds before the winners of the previous rounds have been declared.

The Committee shall have power to exempt any number of Clubs from any number of rounds, and byes may be given so that the required number of clubs is obtained.

(c) In the event of a club getting a bye in any of the drawings, the Committee at the subsequent drawing, shall first draw a Club to play against it from the lot, the two shall again be put in the ballot-box and again drawn, and the club first out of the box shall have choice of ground, but the Committee may so arrange that four clubs compete in the semi-finals.

(d) The teams which are in each instance first drawn in the ballot and known as the "Home Team" shall play on the ground registered with the Association. The second drawn team shall be known as the "Away Team". If the registered ground is available it will not be necessary for the visiting team, or the Secretary of the Association to receive further notification, but if the match is being transferred to another ground it will be the responsibility of the team drawn at home to notify both their opponents and the Secretary of the Association by Special Delivery or email not later than the Friday of the week previous to the date of the match, giving clear direction to location of ground; failing which the team will be dismissed from the Competition. The proof of posting of such Special Delivery shall be the postmark on the Certificate of Posting.

(e) In the event of a match not taking place on the date arranged owing to the ground being declared unplayable by the referee and/or in the case of public grounds by the Local Authorities, the teams shall forthwith arrange to play the following Saturday.

(f) In the event of the match not taking place on the second Saturday due to circumstances as 10 (e) the clubs will arrange to play the following Saturday on the ground of the "Away

team” and if not played on this day due to weather conditions arrangements must be made to play at the same location of the following Saturday. (g) In the event of the match not taking place on the second attempt at the ground of the original “Away team” the tie will revert from the following Saturday to alternate weeks at the “Home” and “Away” grounds. (h) If necessary the Committee will permit the playing of the match at either clubs registered or alternative ground if agreed in writing and confirmed to the Association Secretary by both clubs at least one days prior to the match. (i) In all cases the Secretary of the Team on whose ground a match was to be played must immediately advise the Secretary of the Association and their opponents of any postponement. Any club failing to conform to this rule shall be dealt with by the Junior & Youth Cup Committee who shall have power to compel the offending Club to pay such expenses or take such action as they deem expedient. (j) Dressing accommodation including adequate shower facilities must be provided on site by the Home club unless otherwise stated by Irish Football Association or Northern Ireland Executive. Any club failing to conform to this rule shall be dealt with by the Junior & Youth Cup Committee who shall have power to compel the offending Club to pay such expenses or take such action as they deem expedient. (k) Matches will be permitted to be played on artificial turf providing that the pitch is at least FIFA 1 star standard. Clubs playing their home matches on artificial turf must notify their opponents and the Association by email. Any team not adhering to this rule will be dealt with as the Committee consider appropriate.

Clubs failing to play

11. Any Club refusing or failing to play the Club against which it has been drawn on the date fixed by the Committee (except for reasons due to circumstances relating to the COVID 19 Pandemic which are particularly set out in clause 11b below) and without sufficient reasons for so doing shall be adjudged to have lost the match and be otherwise dealt with as the Committee may determine. In case of disputed ties the Committee shall decide dates and venues. Should either Club refuse to compete, such Club shall be removed from the Competition, and otherwise dealt with as the Committee may determine. Clubs disregarding this Rule will be liable to be dealt with as the Committee consider appropriate.

11b. If a group of players of a team are placed into mandatory quarantine or required to self-isolate in accordance with the regulations or mandatory guidance issued by the UK Government or Northern Ireland Assembly or other relevant authority arising from the COVID 19 Pandemic, the match involving that team will go ahead as scheduled as long as the team has at least 13 players available (including at least one goalkeeper). If, however, a team is not in a position to field a team, with the above mentioned number of players (13 players including at least one goalkeeper), the match will be re-scheduled to a date to be fixed by the Secretary to the Committee who shall have power to assign and re-schedule the match to a neutral venue if the Secretary to the Committee deems it appropriate. In the event that the match is re-scheduled the home team will remain responsible for all of the organisation of the re-scheduled fixture and all related costs. In the event that a match cannot be played or completed on the date appointed for the re-scheduled fixture the Junior and Youth Cup Committee will have authority to make a decision on the matter. The team that is responsible for the match not taking place or not being played in full will be declared to have forfeited the match by the Junior and Youth Cup Committee unless the Committee comes to the conclusion that both or neither of the teams are responsible for the match not taking place or not being played in full. In this event the match will not be declared as forfeited and the outcome of the match will be decided by drawing lots carried out by the Secretary to the Committee in the presence of members of the Committee.

12. All questions of eligibility, qualifications of competitors, or interpretation of Rules or Laws of the game shall be referred to the Committee, whose decision shall be final, subject always to the right of any Club or player to appeal to the Association, in accordance with the Articles of Association.
