## WELCOME FROM MICHAEL O'NEILL

It is another huge game for us as we continue to push for qualification for the FIFA World Cup in Russia.

To be in the position we're in, welcoming a strong Czech side to Belfast with a lot to play for in the remaining games is exactly where we want to be.

We have navigated the campaign well. The way the fixtures have fallen, we're in a position to really benefit in front of a home crowd.

I want to thank you for the continued support that you give the team. The atmosphere at the stadium is second to none and I would ask that you cheer on every player on the team and help us make home advantage count on Monday.

Enjoy the game.

## WELCOME FROM GARY MCALLISTER

Hello and Welcome to the 12th Man guide for the all important game against the Czech Republic.

Friday night's results have certainly set this fixture up as one of the biggest in our history and we all have a part to play in encouraging our team to victory.

This game also sees the introduction of entertainment and drinks promotions before the match and I would encourage everyone to get along early and help make it a success.

As with every home game, I would ask everyone to remember that many of us pass through residential areas around the stadium.

It's important that we maintain our good reputation as we do so. Portable toilets and bins will once again be in place in the surrounding area, please use them.

Getting back to the match itself, let's hope for another memorable night and another huge step towards Russia. Let's be heard.
