WELCOME FROM MICHAEL O'NEILL

The World Cup is now only a memory, another star on the badge of the French International team, so our attention now needs to turn to the new Nations League competition and our opponents Bosnia and Herzegovina.

Whilst others can analyse in much more detail the various permutations and opportunities which this competition can provide our constant focus and ambition must be to perform well in every competition and if we can do that this tournament can even offer entry to the Euro Finals and better quality matches in its next appearance.

They are a formidable team with very capable players playing in strong European leagues including the Premiership. We have never played them before at senior level so today we will be making history, and ours is a team of history makers! Today is the first step in the next journey towards the Euros. Everyone needs to be totally focussed and committed. If we retain that commitment as we know, anything is possible.

Enjoy the match and thanks for your continued support.

WELCOME FROM GARY MCALLISTER

Hello and Welcome to the latest edition of the 12th Man guide.

This match against Bosnia & Herzegovina sees us embark on another campaign. The new UEFA Nations League will probably need to run for a full cycle to enable everyone to understand the various aspects of it, but I think we should look upon it as another route to the Euro 2020 Finals and that alone must surely be an incentive for us all to do well in this competition.

A Saturday afternoon fixture is always welcome and allows us all to enjoy a 'day out' for the match, which normally helps to create a better atmosphere. It's massively encouraging to see another generation of fans emerge as faithful followers of our Northern Ireland team. The passion and enthusiasm they add are fantastic, and I would wholeheartedly encourage those younger fans to continue to bring that energy for ninety minutes to help create more magical days and nights.

As always, I would encourage everyone to show respect for the residential areas we all pass through on our way to and from the stadium. The AONISC continues to work with the IFA and the local community to maintain good relations and we all have a part to play in that.

Enjoy the match!

Cancer Fund for Children

This week we have launched a campaign to help Northern Ireland Cancer Fund for Children raise £50,000 for their RoadMiles scheme. You can view the video [here](#).

We would invite you over the coming months to support this scheme through fundraising events with your clubs, by texting a £5 donation (simply send "GAWA" to 70660) or on match night by donating £1 in to the buckets you will see around the stadium with the Cancer Fund for Children collectors. You can also text on match night!

Together we hope that we can make a real impact for the incredible work that Cancer Fund for Children do.

Jimmy McIlroy banner

Jimmy McIlroy who earned 55 caps for Northern Ireland and played at the 1958 FIFA World Cup sadly passed away last month. We would like to invite everyone in the stadium to join in a minutes applause for Jimmy McIlroy just before kick-off. For those fans in the West Stand we will also have

a banner to pass around and we would ask you to kindly join in with this gesture in recognition of Jimmy McIlroy's contribution to Northern Ireland football. This will start at the front of the West Stand at block A - we would ask you pass it back, across the top level of the stand (with extra help at each stairwell) and back down to the front.

Next up: Northern Ireland v Israel
