

**IRISH FOOTBALL ASSOCIATION  
MEN'S FOOTBALL - POINTS BASED SYSTEM  
2021/2022 SEASON (SUMMER TRANSFER WINDOW)**

The rules and criteria set out in this document will apply for the summer transfer window of the 2021/22 season and will be effective from 1 May 2021. The criteria will be reviewed in late 2021 in order for revised criteria to be issued in advance of the winter transfer window.

Please note that an individual's personal and immigration history may be taken into account when their application is being considered.

Please see the Glossary on page 13 for definitions of the terms used in this document.

## **GOVERNING BODY ENDORSEMENT REQUIREMENTS**

### **GBE STATUS**

1. A club must obtain a GBE from the IFA before a migrant is permitted to undertake any employment duties for the club (including participation at training and in friendly matches). A migrant can register for a club without a GBE but, in order to play/ manage any football, he must have obtained a GBE, been assigned a Certificate of Sponsorship by that club and secured leave to remain under Tiers 2 or 5 of the PBS (subject to satisfying any other eligibility requirements of the IFA and any competitions the club participates in).
2. A club can apply for a GBE for a migrant at any time during the Season. In order to apply for a GBE, a club must hold a valid Sponsor's Licence under Tier 2 and/or Tier 5 of the PBS. In order to apply for and obtain a valid Sponsor's Licence, a club must have obtained an endorsement letter for a Sponsor's Licence from the IFA. If a Club's Sponsor's Licence is revoked, any migrant who has obtained a GBE in order to play for/ manage the Club may have his leave curtailed and may have to make a change in employment application which must be granted before the migrant can undertake any employment duties for the new club.
3. If the IFA grants an application for a GBE for a migrant in accordance with these criteria, the club is permitted to assign a Certificate of Sponsorship to the migrant for the period covered by the GBE. The GBE must be presented to the Home Office when the club applies for entry clearance on behalf of a migrant, which must be done within 3 months of a Certificate of Sponsorship being assigned. Any Certificate of Sponsorship and a copy of the migrant's biometric residence permit must be submitted to the IFA by the club within 3 months of being assigned. Clubs must keep a copy of the relevant page of the migrant's passport evidencing their entitlement to work and contact details for the migrant, which must be provided to the IFA upon request. The club will also have to comply with any other criteria set by the Home Office in order to secure leave to remain under Tier 2 or Tier 5 of the PBS.
4. A GBE under Tier 2 of the PBS will be granted for three years or the length of the migrant's contract (whichever is shorter) and a GBE under Tier 5 of the PBS will be granted for twelve months or the length of the migrant's contract (whichever is shorter). A migrant will not be eligible to play for/ manage the club beyond the expiry date of the GBE unless the club has applied for and obtained an Extended GBE before the existing GBE has expired in accordance with these criteria and the PBS.

### **Extensions to or transfers of a GBE**

5. Unless the individual is under the Tier 5 (Temporary Worker) - Creative and Sporting category, they must meet the English language requirement of the Immigration Rules.
6. If a Club wishes to retain the services of a migrant beyond the period of their IFA Governing Body Endorsement, the Club must send a new application before the migrant's leave to remain expires. If the criteria are satisfied, an endorsement will be issued for the period of their contract, up to a maximum of three years. Where

## **Irish Football Association - Governing Body Endorsement Requirements for Men's Football**

the migrant does not satisfy the criteria, the IFA will consult with the other relevant football bodies by email, providing any details put forward by the Club in favour of that individual. If it is their unanimous recommendation that the application does not need to be considered by a panel, then the case can be processed without.

7. If the football bodies do not unanimously agree to the renewal then the Club may request that it be considered by a panel.
8. A migrant can enter under Tier 5 (if they are unable to meet the English Language requirement set by the Home Office) and then apply in country (provided this is within the first twelve (12) months) to switch to Tier 2 once they have met the English language requirement of the Immigration Rules. To do this the Club will be required to send a new application for an IFA Governing Body Endorsement so that a new certificate of sponsorship under Tier 2 can be assigned by the Club. The new application will need to be supported by evidence that the English language requirement of the Immigration Rules has been met
9. If, at the end of the 12-month period, the migrant has been unable to meet the English language requirement, he will need to return home and obtain entry clearance for a further 12-month period under Tier 5.
10. A Club wishing to sign a migrant who has been granted an IFA Governing Body Endorsement through another Club must send a new application for a governing body endorsement to the IFA. If the criteria are satisfied, an IFA Governing Body Endorsement will be issued for a maximum of three (3) years in respect of their employment with the new Club. If the criteria are not satisfied, the IFA will consult with the relevant football bodies by email, providing any details put forward by the Club in favour of the migrant, such as their appearance record for that Club and details of how far they meet the criteria. If it is their unanimous recommendation that the application does not need to be considered by a panel, then the case can be processed without. If any party expresses concern about the application, an appeal panel will be required.
11. If a migrant is intending to change employer, their new employer must request a new IFA Governing Body Endorsement. The endorsement can be issued for the length of the contract or to the maximum period permitted within the category, whichever is the shorter. The new employer must assign a new certificate of sponsorship to the migrant to allow them to apply to the Home Office for new leave to remain. Leave to remain must be granted before the migrant can start work with the new employer.
12. The club must also inform the Home Office if there is a change of circumstances at the club within 20 working days. A change in circumstances might include changes of name, address or contact details, changes in structure (including mergers, takeovers and de-mergers), changes in financial circumstances (such as administration, receivership, company voluntary arrangement, debt arrangement scheme, liquidation or sequestration).

**Temporary Transfers/Loans**

13. Loans are only permissible within the migrant's current period of approval and should not be used to avoid making extension or change of employment applications.
14. If a migrant on a Certificate of Sponsorship is moving to another Club, (either in the UK or abroad) on a loan basis, the migrant's parent Club must notify the Home Office of the temporary transfer and the change of location via the sponsor management system.
15. For the duration of the loan period, the loaning Club retains overall responsibility for the Player as his employer and sponsor and the Player is granted permission to move temporarily under the provisions of his current leave, provided that the Certificate of Sponsorship assigned by the loaning Club is valid for the duration of the loan period. This means that where the loan is to another Club within Northern Ireland, neither the parent Club nor the loaning Club has to send a new application for a governing body endorsement to the IFA. Where the loan is to a Club within another Home Association, the Player will have to satisfy that Home Association's governing body endorsement process.
16. When the Player returns to their parent Club after the loan period, the Player does not need to be assessed again against the entry criteria and may simply resume their employment with their original Club (provided that their IFA Governing Body Endorsement remains valid beyond the date of their return), on the basis that the Player has an existing Certificate of Sponsorship and has already met the entry requirements at the beginning of their employment with that Club.
17. Any Player joining a Club in Northern Ireland on loan from an overseas Club (outside the UK) must meet all the requirements of Tier 2 or Tier 5 and therefore an application must be submitted to the IFA. International loan Players are also subject to appeal panels if they do not meet the criteria.
18. GBEs will not be issued in respect of Players who are trialling with a Club in Northern Ireland. If a Club wishes to trial a Player, it should contact the Home Office.

**APPLICATION PROCESS**

19. An administration fee of £100 will be charged for each application for an IFA Governing Body Endorsement.
20. A club must submit an application for a GBE to the IFA Player Registrations Department along with any evidence in support of the application, including but not limited to:
  - a) A duly complete application form (Separate forms for Players and Managers are available to clubs on request).
  - b) If the Player is not already registered for the Club, an application for registration of said Player in accordance with IFA Rules and/or Regulations.

## Irish Football Association - Governing Body Endorsement Requirements for Men's Football

- c) Written evidence to support any claim made by the applicant club that a Player was Unavailable for Selection for a particular match, including the reason(s).
  - d) If the Player is not a Youth Player, written evidence to support any claim made by the applicant club that exceptional circumstances prevented the Player from achieving 15 points (where appropriate, in accordance with paragraph 27).
  - e) Written evidence to support any claim made by the applicant club that a Youth Player has significant potential and is of sufficient quality to enhance the development of the game in Northern Ireland and justify the Exceptions Panel recommending that a GBE be awarded (where appropriate, in accordance with paragraph 31).
  - f) If a Manager, written and any other evidence to support any application.
21. Migrants applying to come to the UK under either of the sporting categories above need to be sponsored by an organisation that has a sponsor licence under Tier 2 (Sportsperson) or Tier 5 (Temporary Worker) - Creative and Sporting.
22. An organisation wishing to sponsor such migrants must have a sponsor licence. Before applying to the Home Office for a license an organisation must be endorsed by the IFA. This endorsement confirms to the Home Office that the application for a licence is from a genuine football club (or equivalent) that has a legitimate requirement to bring migrants to the UK as sportspeople. Once licensed, an organisation can assign certificates of sponsorship to a sportsperson or coach with a job offer that allows them to apply for leave to enter or remain in the UK. Each individual must also have a personal endorsement from the IFA before an organisation assigns the certificate of sponsorship.
23. The IFA will work within the Home Office code of practice for sports governing bodies and must comply with any immigration regulations, UK legislation and the principles of the Points Based System as detailed on the GOV.UK website.
24. If a Club prematurely ceases to employ a migrant who has a certificate of sponsorship, the Club must inform the Home Office.
25. Where a club wishes to make significant changes to the terms and conditions of the migrant's contract, for instance to improve their salary or length of contract part-way through the approved period, the club should notify the Home Office of this via the sponsor management system.
26. If a new application is required and the endorsement requirements are not met, the club must submit a summary of the player's domestic club appearances over the previous 12 months as well as any other information which the club deems to be relevant to its application. The IFA will at that stage consult with Relevant Interested Parties by email and in doing so will provide any details put forward by the club in

## Irish Football Association - Governing Body Endorsement Requirements for Men's Football

support of the application. When considering the application and deciding whether the application should be granted, the IFA and the Relevant Interested Parties shall consider the information put forward by the club as well as any other information which they deem to be relevant in their absolute discretion which indicates whether the migrant remains of sufficient quality to be awarded a governing body endorsement. If a majority of the IFA and the Relevant Interested Parties recommend that a governing body endorsement should be granted, a governing body endorsement will be issued. If a majority recommendation for approval is not given, a governing body endorsement will not be granted.

### PLAYER'S CRITERIA

27. All Players shall be assessed in accordance with paragraphs 37-46 if they do not achieve the pass mark in paragraph 29.
28. The IFA will grant a GBE if the Player's International Appearances meet the Auto Pass Percentage set out in Table 1 of the criteria.
29. If a Player is not granted a GBE in accordance with paragraph 28 above, the IFA will grant a GBE if a Player achieves 15 or more points in accordance with paragraphs 37-46. **Error! Reference source not found..**
30. The Club may request that an Exceptions Panel consider the application if a Player achieves between 10 and 14 points in accordance with paragraphs 37-46 and if the Player is not a Youth Player, the Club can evidence that exceptional circumstances prevented the Player from achieving 15 points.
31. If the Club requests an Exceptions Panel, the procedure in paragraphs 51-59 shall apply.
32. If a Player is not granted a GBE in accordance with paragraph 28, 29 or paragraphs 50-59, he will have no further opportunity to apply for a GBE unless his circumstances change and will not be eligible to play for the applicant club.

### Calculations

33. If a Player has played for two (or more) clubs during the Reference Period, or a Player is or has been a Free Agent during the Reference Period, the Player's Continental Minutes, Player's Domestic Cup Minutes and Player's Domestic Minutes (each, the "**Minutes**") will be calculated in accordance with paragraphs 34-36 below.
34. For each of the Minutes criteria, the applicant club should calculate a weighted average as follows:
  - a) Calculate the number of days during the Reference Period the Player has been registered for each/any club or no club (as appropriate).
  - b) Calculate the percentage of the overall Reference Period that each of those periods of time represents.

## Irish Football Association - Governing Body Endorsement Requirements for Men's Football

## Irish Football Association - Governing Body Endorsement Requirements for Men's Football

refer the club's evidence to an independent panel.

51. Where possible the club's supporting evidence will be sent to the IFA and other football bodies in advance for their consideration in order to allow an informed decision.
52. The panel will normally consist of representatives from the relevant football bodies together with up to three independent experts. The IFA will endeavour to ensure there are no conflicts of interest between the independent experts and the applicant club. If the applicant club wishes to object to the involvement of any of the independent experts it must do so in writing at least 24 hours before the panel hearing explaining their reasons for the objection.
53. The panel's terms of reference for are:
  - a) to consider whether the player, manager or first team coach is of the highest calibre
  - b) to consider whether the player, manager or first team coach is able to contribute significantly to the development of the game at the top level in Northern Ireland
54. The panel will make a recommendation to the IFA whose decision will then be relayed to the club. The details of the voting will not be disclosed. Each member of the Panel will provide written reasons for their own decision to the Secretary of the Panel. A positive vote is required to approve an application (e.g. 4-2, 5-1 or 6-0)
55. Full terms of reference and roles of the panel members and the club are available to attendees.
56. Clubs should note that, in respect of any application, there will only be one panel available (i.e. a panel and recommendation, followed by a decision). A club should therefore ensure that all evidence it wishes to present in support of its application is presented to the panel.
57. In the case of a Player, the Exceptions Panel shall only recommend to the IFA that a GBE be granted if it is satisfied that exceptional circumstances prevented the Player from achieving 15 points, and if those exceptional circumstances did not apply, the Player would have achieved 15 points.
58. In the case of a Manager, the Exceptions Panel shall only recommend to the IFA that a GBE be granted if it is satisfied that the Manager is of the highest calibre and is able to contribute significantly to the development of the game at the top level in Northern Ireland.
59. If the Exceptions Panel recommends to the IFA that a GBE be granted, the IFA will consider whether to grant a GBE (but is under no obligation to do so).
