Club/location of project	Local authority	Project description	Funding granted	Partner funding	Partner funding source
Ballyvea Football Club Ltd	Newry, Mourne and Down	Ballyvea FC plan to install a multi-use games area at the Club, upgrading and improving existing structures to turn a gravel/stone surface into a FIFA-quality 3G surface that can be used by the whole community in this rurally isolated area of the Mournes. It will be used by charities and other sports including cricket and mini and disability rugby.	£30,000.00	£1,117.44	Club Resources
Dungiven Celtic Youth Football Club	Derry City and Strabane	The Club is recieving funding to make vital upgrades to the pitch and facilities at ballygudden Playing fields, in Dungiven - a rural village. New equipment will help them maintain the pitch to a high standard, and repairs to the changing rooms and fencing will make the facility more pleasant and safe for the local community to use.	£28,554.00	£0.00	
Newcastle Football Club	Newry, Mourne and Down	Newcastle Football Club is recieving funding towards phase one of a new project to create a Sports/Recreation football ground facility. The proposed football ground will accommodate the relocation of the club and this particular project includes the development of improved site access and egress, which will make it easier for participants and spectators, especially wheelchair users, to use the facility	£30,000.00	£2,730.00	Club Resources
Greenisland Football Club	Mid and East Antrim	This project will improve disability access and side line areas for parents and spectators, create a new storage area for vital equipment to maintain the pitch, and upgrade the existing goal on the 3G Training Pitch so that they can continue to run their community Sports development offer and a wellbeing programme for children.	£30,000.00	£8,412.00	Club Resources
Abbey Villa Football Club	Ards and North Down	£25,000 of funding will support the construction of a new spectator stand in Millisle which has been highlighted by local users as a key barrier to spectating and participation by women and girls and children in particular. it will also improve disabled access for wheelchair users and the elderly, which is important in this community that has an older population.	£25,000.00	£5,000.00	Club Resources
Comber Rec FC	Ards and North Down	The funding for Comber Rec will allow them to upgrade and improve the car park, improving disabled access and increasing it's capacity, including for women /girls and veterans pitch time. it will also help them to make improvements to the club house and shower areas, so that more participants are able to use the facilities and to take them closer to their longer term ambition to establish a community hub.	£29,978.00	£0.00	
NFC Kesh	Fermanagh and Omagh	NFC Kesh is using funding to deliver several key improvements to the faciliites - improving disabled access from the clubrooms to the football pitch; modernisation and improvement work to establish a dedicated disabled toilet; and improvements to the community facility, such as a disability ramp and key repairs to the roof so that the building is fit for use by it's participants, including a local disability group and some walking football sessions.	£29,904.00	£0.00	
Belfast Celtic CIC	Belfast City	This project will upgrade the current car park facilities to ensure disabled participants are able to access the pitch. This is part of a wider re- development plan that includes upgrading the grass pitch to 3G, improving floodlighting, fencing and dugouts which will allow the club to expand the female game and offer a home to a female club on a more permanent basis.	£25,936.00	£0.00	
Fivemiletown United Football Club	Mid Ulster	The Club's facility in Fivemiletown will benefit from 2 new steel framed dugouts coupled with access and egress works to improved disabled access. The works will allow the club to be intermediate level ready, and to be the only club operating at this level in a 30-mile radius, thereby providing opportunities for the grassroots level to develop further.	£27,950.00	£0.00	
Craigavon City Football Club	Armagh City, Banbridge and Craigavon	This project will install ball stop fencing behind both goals at the Drumgor Arena in Craigavon, improving the player experience and encouraging more of their players to remain active. This includes opportunities for children, young people and adults living within the highly deprived Drumgor estate to access affordable sport and leisure facilities here	£21,840.00	£0.00	
Shorts Football Club	Belfast City	Shorts FC will use funding to develop a Wellbeing Hub by refurbishing and upgrading an under-used building on the grounds to create a dedicated safe space, in particular for young people. This will encourage more young people to use the facility an get physically active.	£29,250.00	£0.00	
Enniskillen Rangers Football Club	Fermanagh and Omagh	Enniskillen Rangers are upgrading the floodlights at their training pitch, so they can open the facility all year round, making it suitable for boys, girls and adult teams, as well as being able to host youth matches. This project was identified through consultation with the local community.	£20,486.28	£0.00
