WELCOME FROM MICHAEL O'NEILL

Having just had a taste of a major tournament we are looking forward to the challenge that awaits us in the upcoming World Cup Qualifying campaign.

To win the group we would have to finish above the world champions, I think that makes it the most difficult group you could be in.

We will be looking to try and get points on the board early, get momentum into the campaign, and hopefully when we bring the big teams to Belfast we can put on big performances and get points that people don't expect us to get in the group.

Thank you for your support and we hope you enjoy your time in the Czech Republic.

WELCOME FROM GARY MCALLISTER

Welcome to the latest edition of the '12th Man'.

From a fan's point of view, Euro 2016 was pretty much all that we hoped it would be, with memories created that will stay with us all for a lifetime. Our good conduct and friendliness shone through once again and it was great to be able to demonstrate that at the finals of a major tournament.

The Grand Vermeil medal which was bestowed upon us all has begun to make its way around Northern Ireland to allow as many fans as possible an opportunity to be pictured with it before it is handed over to the new Education and Heritage Centre at the NFS at Windsor Park.

We now look to the World Cup qualifiers, beginning with a return to the Czech Republic. The last encounter ended in a 0:0 draw in 2009, on what was by far the coldest night I've ever experienced following Northern Ireland!

Hopefully this time we'll enjoy warmer weather and a little more excitement on the pitch. As with all away journeys, please take care and stay safe. If you do find yourself in need of help, contact the AONISC Mobile Network on +447943 542 100 and we'll do what we can to help.

Enjoy the game.

Chairman, AONISC
